Subject: Freedom of Information Request: EPA Mirror Website Information

April 30, 2017
Environmental Protection Agency
National Freedom of Information Officer
U.S. Environmental Protection Agency
1200 Pennsylvania Avenue, NW (2822T)
Washington, DC 20460

To Whom It May Concern:

This is a request under the Freedom of Information Act. I hereby request the following records:

All records related to the posting of the mirror EPA website reflecting a "snapshot" of the website as it existed on January 19, 2017, including all FOIA requests for the mirror, processing notes for those requests, and any discussion, including but not limited to emails and memos, about the posting of the mirror website, including the EPA statement or communication including the statement:

"Immediately following the 2017 Presidential inauguration, the agency received numerous FOIA requests regarding historic versions of the EPA website. The Agency is making its best reasonable effort to 1) preserve agency records that are the subject of a request; 2) produce requested agency records in the format requested; and 3) post frequently requested agency records in electronic format for public inspection. To meet these goals, EPA has re-posted a snapshot of the EPA website as it existed on January 19, 2017."

A news article containing this statement and more information about the mirror website is linked here:

The requested documents will be made available to the general public, and this request is not being made for commercial purposes.

In the event that there are fees, I would be grateful if you would inform me of the total charges in advance of fulfilling my request. I would prefer the request filled electronically, by e-mail attachment if available or CD-ROM if not.

Thank you in advance for your anticipated cooperation in this matter. I look forward to receiving your response to this request within 20 business days, as the statute requires.

Sincerely,

Sarah Lamdan
